from Incheon Airport to SKKU
(Destination: Shin-gwan)
There are three ways - airport limousine, subway and taxi - to get to your dormitory from Incheon International Airport. Considering travelling time and cost, we highly recommend that you take the airport limousine; subway is cheap and good, but rather complicated to transfer, while a taxi is too expensive.
Upon Arrival

After getting your luggage back from the carrousel in the baggage claim area on the 1st floor of the airport, proceed to the Gate 7 to get to the limousine bus stops which are on the same floor.

At the limousine bus stop 7B, you should take the airport limousine to Anyang which runs every 20-30 minutes. It is recommended to exit the airport through Gate 7 as it is the nearest one to the limousine bus stop 7B.

* Note: From Incheon International Airport, the first limousine starts at 06:00 and the last one at 22:40.
Purchasing a Ticket

Before getting on a bus, purchase the ticket in cash at the ticket box or pay cash to the driver. One-way charge from the airport to the destination costs KRW 12,000.
Limousine Stops

It will take around 60 minutes to get to the bus stop “Anyang Station.” It can take a little more or less depending on the traffic. All stops are announced in English.
